

## Conduit Couplers

### PRODUCT LIST

| Description                                       | Part Number | Material       | Finish     | Packing |
|---------------------------------------------------|-------------|----------------|------------|---------|
| 20mm Galvanised Solid Coupler                     | LP701S20    | Steel          | Galvanised | 100     |
| 25mm Galvanised Solid Coupler                     | LP701S25    | Steel          | Galvanised | 50      |
| 32mm Galvanised Solid Coupler                     | LP701S32    | Steel          | Galvanised | 50      |
| 20mm Galvanised Solid Expansion Coupler           | LP301XCS20  | Steel          | Galvanised | 100     |
| 25mm Galvanised Solid Expansion Coupler           | LP301XCS25  | Steel          | Galvanised | 50      |
| 32mm Galvanised Solid Expansion Coupler           | LP301XCS32  | Steel          | Galvanised | 50      |
| 20mm Galvanised Flanged Coupler (Lead Washer)     | LP131M20    | Steel          | Galvanised | 50      |
| 25mm Galvanised Flanged Coupler (Lead Washer)     | LP131M25    | Steel          | Galvanised | 50      |
| 32mm Galvanised Flanged Coupler (Lead Washer)     | LP131M32    | Steel          | Galvanised | 25      |
| 20mm Galvanised Flanged Coupler (Neoprene Washer) | LP132M20    | Steel          | Galvanised | 50      |
| 25mm Galvanised Flanged Coupler (Neoprene Washer) | LP132M25    | Steel          | Galvanised | 50      |
| 32mm Galvanised Flanged Coupler (Neoprene Washer) | LP132M32    | Steel          | Galvanised | 25      |
| 20mm Galvanised Coupler with Inspection           | LP141M20    | Malleable Iron | Galvanised | 25      |
| 25mm Galvanised Coupler with Inspection           | LP141M25    | Malleable Iron | Galvanised | 10      |
| 32mm Galvanised Coupler with Inspection           | LP141M32    | Malleable Iron | Galvanised | 5       |
| 20mm Galvanised Coupler with Earthing Led         | LP142M20    | Steel          | Galvanised | 50      |
| 25mm Galvanised Coupler with Earthing Led         | LP142M25    | Steel          | Galvanised | 50      |
| 32mm Galvanised Coupler with Earthing Led         | LP142M32    | Steel          | Galvanised | 25      |
| 20mm Normal Nipple                                | LP417NN20   | Steel          | Galvanised | 100     |
| 25mm Normal Nipple                                | LP417NN25   | Steel          | Galvanised | 100     |
| 32mm Normal Nipple                                | LP417NN32   | Steel          | Galvanised | 50      |
| 20mm Long Nipple (300mm)                          | LP418LP20   | Steel          | Galvanised | 10      |
| 25mm Long Nipple (300mm)                          | LP418LP25   | Steel          | Galvanised | 10      |
| 32mm Long Nipple (300mm)                          | LP418LP32   | Steel          | Galvanised | 10      |
